

APPLICATION FOR ACCESS TO RECORDS

Under the provisions of the New York Freedom of Information Law (FOIL), Article 6 of the Public Officers Law, which requires requests for access to records be responded to within 5 business days, I hereby request records or portions thereof pertaining to:

Environmental reports, or other environmental data, received by the Woodstock Public Library District from Spectrum Environmental Associates, Inc., Kaaterskill Associates, Inc., or Alten Project Solutions, Inc., in the months of February, March and April, 2021.

ADDITIONAL DETAILS

Thank you for responding to my FOIL requests of March 18 and April 4, 2021. I received from you the Spectrum report dated February 17, 2021, related to asbestos and lead testing, and the Spectrum invoice dated February 23, 2021. Please do not provide that information when responding to this FOIL request of April 28, 2021.

If it is possible to provide the requested information, or any portion of it, before the Facilities & Planning Committee meeting on May 6, 2021 (six business days from today), it would be much appreciated. Thank you.

If documents or other data to be provided are currently in digital format, please provide them in digital format. I understand that it is customary at the Woodstock Public Library District to print documents and to respond to FOIL requests with documents printed on paper, but in order to conserve resources and to minimize Library staff time, it is my preference for the documents to be transmitted electronically. Thank you.
