

APPLICATION FOR ACCESS TO RECORDS

Under the provisions of the New York Freedom of Information Law (FOIL), Article 6 of the Public Officers Law, which requires requests for access to records be responded to within 5 business days, I hereby request records or portions thereof pertaining to:

All environmental or structural reports, or other environmental or structural data, received by the Woodstock Public Library District from Spectrum Environmental Associates, Inc., Kaaterskill Associates, Inc., or Alten Project Solutions, Inc., in the months of February, March, April and May, 2021.

ADDITIONAL DETAILS

Thank you for responding to my FOIL requests of March 18, April 4, and April 28. I received from you the following: 1) Spectrum report dated February 17, 2021, related to asbestos and lead testing; 2) Spectrum report dated February 9, 2021, titled "Mold Remediation Plan;" 3) Flatley Read report, undated, titled "Energy Assessment for the Woodstock Library;" 4) Alten report dated February 22, 2021, titled "Existing Conditions Summary;" and 5) Spectrum invoice dated February 23, 2021. Please do not provide those documents when responding to this FOIL request of May 6, 2021.

If documents or other data to be provided are currently in digital format, please provide them in digital format. I understand that it is customary at the Woodstock Public Library District to print documents and to respond to FOIL requests with documents printed on paper, but in order to conserve resources and to minimize Library staff time, it is my preference for the documents to be transmitted electronically. Thank you.
